Students will, of course, develop their own writing style and script variety. However, not in general, cause confusion.

Two groups of letters, the capital and the small letters, rest on the line of writing but are twice as high as the letters in group I. Note that a has a point at the bottom, whereas ω is rounded.

(4) Pour the Greek small letters extend both above and below the line of writing:

(3) Seven of the Greek small letters rest on the line of writing and extend below it, but do not extend above the letters of Group I:

Certain conventions may be observed in writing Greek letters. With Greek-
